

## DEALER AND OEM INFORMATION

We offer quantity discounts on all of our software to qualified software vendors and retail stores. Discounts are on a per order basis, each software item will be counted as one unit and units may be mixed to achieve higher discount rates.

### Terms:

Your first order must be for five items and shipped either prepaid or COD, cash or certified check. Upon receipt of a completed credit application, we will verify credit information and extend net 30 terms. We pay shipping on Prepaid orders, you pay shipping on COD and open account orders. There is a 20% restocking charge for returned merchandise.

### High-Volume Pricing:

All software is available on long-term, high-volume licensing agreements for hardware OEM's and software distributors. Call or write for details.

### Formats:

We can supply the following 5" disk formats. New formats are being added almost weekly – if you don't see it, call us!

Altos	Hyperion	Sanyo
